Hey Sadie,

Thanks for checking in! Everything has been going well on the SM side of things. The team has forwarded some great tips and fun posts for me to share, and our SM is doing better than ever because of it. I'm really appreciating the support. :)

Amelia

Sweet! Friday at 6pm PT works best for me, here's the link:

Also, if on Friday you want to meet sooner or later than that, let me know. I have work until 5pm PT, but can talk on the drive home too.

Hi Gaby, I did want to say hi! I probably could have just emailed you separately, I know you have a different role in ALASC. I reached out on purpose though! Carlos & I want to offer support and see if we can help bring new ideas to the table, or just listen to wha plans and ideas you have.

If you have time, I would love to talk sometime to hear more about what you do and get the insider's perspective on your role. And if I can help in any way, I would love to!

Sadie ☺

Hello Sadie,  
Unfortunately, I don't actually think I'm part of this program ALASC you're referencing. To be transparent, I have no idea what that is. That's why I think you emailed the wrong person haha.

Sorry,  
Gaby Romero
